

Kittatinny - SCCC Concurrent Enrollment Program

Kittatinny students enrolled in select courses have the opportunity to participate in the Concurrent Enrollment Program affiliated with Sussex County Community College. Students must meet the minimum Accuplacer Scores in order to enroll in the courses as well as have completed the necessary prerequisite concurrent coursework (if required). Please see chart below for specific information.

The Kittatinny teachers have been approved by SCCC to teach these courses; therefore, students do not have to attend classes at the college in order to receive college credit. Students must earn a grade of at least a "C" in the class in order to receive SCCC credit.

Tuition: Students are responsible for the tuition if they elect to receive college credit for the course(s). The tuition fees will be paid directly to Sussex County Community College. Once the acceptance process is complete, there are no refunds.

****It is the student's responsibility to verify if their college/university of choice will accept credits from Sussex County Community College****

ENGLISH COURSES

KRHS Course Name	Instructor Name & E-mail Address	SCCC Code	SCCC Course Name	# of SCCC Credits	Tuition	Notes
