### Educere's Online Personal Financial Management Exam Schedule

Dear Parent/Guardian:

One of the requirements for your child's online Personal Financial Management summer course is the completion of a final examination. Your child's final examination is going to be administered on **Wednesday, August 10** at 9:00 a.m. in the Kittatinny Regional High School Computer Science Lab. Please make sure your student brings the following:

Educere login name

Educere password

Your child **MUST** complete the final exam under staff supervision at Kittatinny, even if the course professor offers the exam at a different time. If, for any reason, your student misses this final exam, a make-up examination will be offered on **Thursday, August 11**. There is a late fee of \$75, payable to Kittatinny Regional High School, to take the exam on the make-up day.

Students who complete all coursework, including the final exam, and earn a grade of 60 or better, will receive 2.5 credits in Personal Financial Management. The course and grade will be noted on the student's high school transcript but will **NOT** be included in the calculation of GPA/Class Rank.

Contact me if you have any questions or concerns about the summer online Personal Financial Management course.

Sincerely,

Todd Van Orden

Supervisor of Business, Mathematics and World Language
