

## Kittatinny - Stockton Unviersity Concurrent Enrollment Program

Kittatinny students enrolled in select courses have the opportunity to participate in the Concurrent Enrollment Program affiliated with Stockton Unviersity. Please see chart below for specific information.

The Kittatinny teachers have been approved by Stockton Unviersity to teach these courses; therefore, students do not have to attend classes at the college in order to receive college credit. Students must earn a grade of at least a "C" in the class in order to receive Stockton credit.

Tuition: Students are responsible for the tuition if they elect to receive college credit for the course(s). The tuition fees will be paid directly to Stockton University. Once the acceptance process is complete, there are no refunds.

**\*\*It is the student's responsibility to verify if their college/university of choice will accept credits from Stockton University\*\***
