

An aerial photograph of the Sussex County Community College campus. The image shows several large brick buildings with solar panels on their roofs, a large green lawn, a circular pavilion with a brown roof, and a winding path. The campus is surrounded by dense trees. In the top left corner, there is a logo for Sussex County Community College featuring a green leaf and the text 'Sussex County COMMUNITY COLLEGE'.

# Sussex County

COMMUNITY COLLEGE

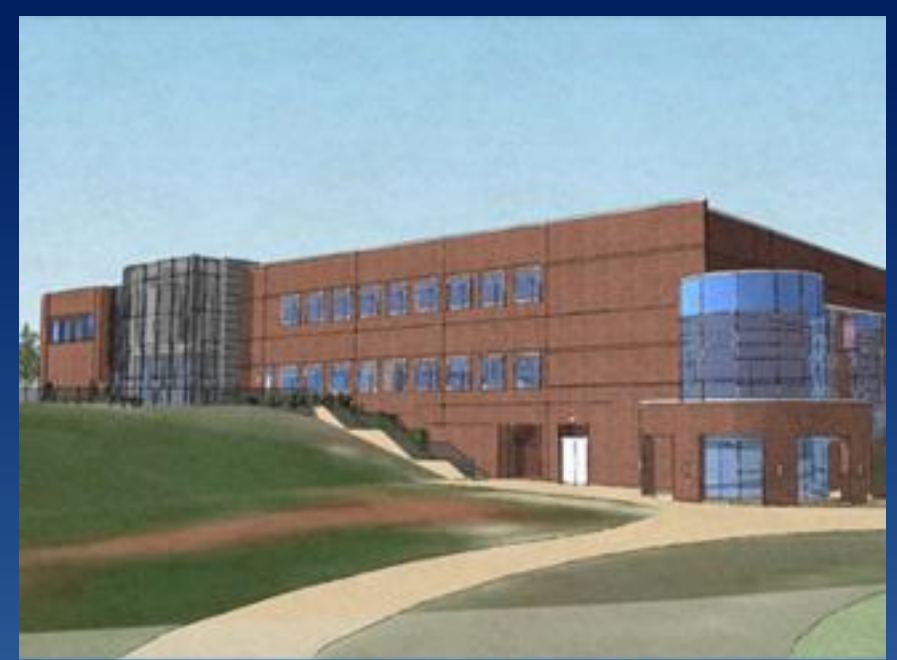

# Why Sussex County Community College?

Sussex County Community College (SCCC) is the first community college in the nation to come on board as an AmeriCOM partner. AmeriCOM has subcontracted with SCCC to expand these educational opportunities. SCCC will receive as much as \$2 million to support the College's Optics Technology program, creating a state-of-the-art lab, distance learning courses, and dual-credit programs at regional high schools.

Renovations at the College's McGuire Technical Education Center on Main Street in Newton are scheduled to begin on June 7 and anticipates being ready for classes in early 2022. When completed, the Sussex Culinary Institute will include a training kitchen, commercial kitchen, and a restaurant open to the public.

# Sussex County Community College Honors Program

At Sussex, students have the chance to invent themselves in an intimate environment surrounded by scholarly excellence.

Honors students graduating from Sussex County Community College will now be able to transfer easily to the following schools

- Drew University
- The College of New Jersey (TCNJ)
- Bloomsburg 2020
- St. John University 2020

A photograph of the Sussex County Community College building, a modern structure with brick walls and large glass windows, situated on a grassy hill. The building features a prominent cylindrical glass tower. In the foreground, there is a paved area with metal railings. The scene is surrounded by trees with vibrant autumn foliage in shades of orange, red, and yellow. The sky is clear and blue.
